However, they may be allowed in certain other departments with prior approval from the department chair and completion of the required lease-agreement paperwork. All market animals presented at check-in will be refused entry if they appear medically unsound or show any condition that could affect their market value.

Each exhibitor may show and sell only one terminal market animal.

Youth who are not present to show their animal will be disqualified and must remove the animal from the premises immediately. Animals belonging to youth who are not present to take their animal into the sale ring at the designated time, according to the sale order, will be sold at packer price, and the exhibitor will forfeit all premiums and awards.

No livestock—except horses—are allowed in the Horse Arena at any time during the Youth Fair for any purpose. Violation of this rule will result in disqualification from the Fair and forfeiture of all awards and premiums.

The Commercial Heifer and Purebred Beef Committee reserves the right to adjust tie spaces after check-in if needed.

Fire Safety: All animals will be bedded on sand provided by the Fair. The use of straw, hay, or any other combustible bedding material is prohibited. Exhibitors are encouraged to use hay bags for feeding. Hay and show boxes must be placed in designated areas of the barn to reduce fire hazards and improve access through the aisles for exhibitors and spectators. Animals that cannot be properly handled by the exhibitor will not be accepted. All large animals must be shown using halters only, except bulls, which must use nose rings in addition to a regular halter. Each exhibitor must show and sell their own animal unless prior approval is granted by Fair Management. All beef cattle, including market steers, must be always double-tied with a halter and neck rope provided by the exhibitor.

*x*ATTENTION ALL MARKET ANIMALS EXHIBITORS – DRUG TESTING

The Polk County Youth Fair reserves the right to pull urine, blood, and/or other body samples from all Grand and Reserve Champions, as well as random samples from each division, for all market animals, including but not limited to lambs, goats, swine, and steers, using a 3rd party agency during or directly after the show.

At the time samples are taken, the exhibitor and a parent/guardian must be present. The parent/guardian will be required to sign documentation confirming that the sample was collected. All samples will be tested by a qualified laboratory selected solely by the Polk County Youth Fair Board for prohibited drugs and/or substances. A split sample of each animal's urine, blood, and/or other body sample will also be taken.

Use of Drugs: The use of animal drugs or other substances by non-veterinarians in any manner not consistent with FDA-approved labeling is a **violation of federal law** and is prohibited by the Polk County Youth Fair. Exhibitors and their parents/guardians must complete the Drug Certification Form, which must be signed in the presence of a Notary. 2. **All medications and dewormers administered to the market animal throughout the project must be disclosed.**
3. **Drug test results from the testing laboratories are final and binding** on the exhibitor and the exhibitor's parents/guardians, even if the source of the drug is unknown.

Positive test results will be classified according to the following categories. The PCYF considers any detectable amount to be positive (e.g., 1.0 or 0.01 will be treated the same). All animals testing positive—regardless of the drug or consequence—will automatically be tested at all future fairs at the owner's expense, if they are permitted to return after a suspension.

1. Any substance that, regardless of FDA or USDA approval, was not administered according to label directions and/or has not met the required withdrawal period.
2. Any substance not administered according to label directions and/or any substance with the potential to enhance an animal's performance, including but not limited to steroids, diuretics, anti-inflammatories, tranquilizers, and painkillers.
3. Any substance not approved by the FDA and/or USDA for use in slaughter animals, or for use in the specific species and sex of the animal being exhibited.

Each exhibitor will be required to furnish feed and care of his/her exhibit(s) with the exception of poultry and rabbits. **Show boxes will be placed in a designated area rather than exhibit space**. Retainer boards not to exceed six inches in height will be allowed. Carpet, ornamental plants, and other decorative material will not be allowed in the exhibit area of the barn.

Exhibitors will be responsible for maintaining a clean tie space. Exhibitors are also required to leave beds completely clean and be inspected by a Youth Fair Official before checking out. Exhibitors who fail to clean assigned stall areas will forfeit all premium money.

DIVISION APPOINTMENTS: Brief descriptions are listed below. Refer to the Florida 4-H Area & State 4-H Horse Show Rules for full class descriptions, class rules and regulations, descriptions of legal bits, scoring, and other information.

SHOWMANSHIP CLASSES:
Description:
● Showmanship and Ground Handling classes are not conformation, model, or grooming classes, although grooming and fitting are certainly part of the judging criteria. These are performance classes designed to test the exhibitor's horsemanship while working from the ground.
● Showmanship is the appropriate class for the Western and English divisions, while Ground Handling is the appropriate class for the Ranch and Speed Events divisions.
Appropriate Attire: Personal appearance of the club member should be neat, clean, well-groomed, attentive, courteous, and in appropriate attire as described in each division. An SEI or SEI/ASTM-approved equestrian helmet with a fastened chin harness is required in all divisions.
Tack: Should be clean and properly adjusted.
● English: English bridle or halter.
● Western: Halters only. Fancy halters shall not be given preference over good working halters.

x Denotes Changes from the 2026 Rules & Regulations

● Ranch and Speed: Halters only. Halters and leads may be rope, nylon, or plain leather (no silver). Lead ropes may not have chain.

1. Lead shank/bridle reins must be carried in both hands at all times, and the lead shank/bridle reins must not be wrapped around either hand. It is acceptable to either figure-8 or loosely coil the excess lead shank/bridle reins in the left hand.
2. When showing with a halter and lead with a chain, the chain may be under the horse's chin or passed through the bottom center ring of the halter and folded back on itself. No chain may be in the horse's mouth or over the nose.
3. No whips, crops, or bats are permitted.

ENGLISH DIVISION:

Appropriate Attire: All exhibitors are required to wear an SEI or SEI/ASTM-approved equestrian safety helmet with a fastened chin harness in every class. Clothing must be clean, neat, and appropriate for English classes. The rider must wear a shirt with a choker, tie, or fastened integrated collar; coat; boots (no tennis shoes or sport shoes are acceptable); and breeches.
When management permits riders to ride without jackets, riders must wear traditional short- or long-sleeved riding shirts without chokers or ties or with integrated collars either fastened or unfastened. Polo shirts are not permitted except in unjudged warm-up (schooling) classes.
Unroweled spurs measuring no longer than one inch (where a rowel is defined as a flat disc with or without points), spurs with a smooth rolling rubber or stainless-steel ball, gloves, crops, or bats are optional (no whips except in Dressage classes). When riding over fences, a crop may be used on the horse's shoulder. Gloves are preferred in equitation and dressage classes.
Tack: Clean English forward, hunting, or dressage-type saddles. Saddles may have a suede seat and/or suede inserts on the skirts. In equitation classes, it is recommended that riders use traditional stainless steel stirrup irons that allow judges a clear and unobstructed view of the position of the foot in the stirrup. Judges may not eliminate a rider for using a particular style of stirrup iron. Iron or stirrup leather may not be connected to the girth by string or any other material.
All bridles must have cavesson nosebands and plain leather browbands. Pelham bridles must have two sets of reins attached (pelham connectors are not allowed). Breastplates are optional. Standing martingales are optional in over-fence classes. Martingales are not allowed in any under-saddle flat classes. Draw reins and hackamores are not permitted.
No boots below the fetlock will be permitted in any class. Boots confined to the cannon area will be permitted only in equitation over-fences classes. No figure-8, flash, drop, or any other style of noseband that includes a strap which fastens in front of the bit is allowed in Hunter classes.

WESTERN DIVISION:

Appropriate Attire: Clothing must be clean and neat. Riders shall wear western boots (no tennis shoes or sport shoes are acceptable) and western dress pants or jeans. Shirts must have a collar and long sleeves or be appropriate show attire (i.e., slinkies, band collars, turtlenecks). Spurs, chaps, and similar equipment are optional. All exhibitors are required to wear an SEI or SEI/ASTM-approved equestrian helmet with a fastened chin harness in every class, regardless of age.
Tack: Horses shall be shown with a stock saddle; silver equipment will not count over a good working outfit. Martingales, tie-downs, nosebands, or draw reins are prohibited. Carrying of a rope is optional. A judge or show official shall have the authority to require the removal or adjustment of any piece of equipment which, in their opinion, is unsafe, would give a horse an unfair advantage, or constitutes excessive harshness or cruelty.

RANCH DIVISION:

Appropriate Attire: Clothing must be clean and neat. Riders shall wear western boots (no tennis shoes or sport shoes are acceptable) and western dress pants or jeans. Shirts must have a collar and long sleeves or be appropriate show attire. Ranch work attire is recommended but show attire will not be penalized. Spurs, chaps, gloves (leather or fabric), and similar equipment are optional. All exhibitors are required to wear an SEI or SEI/ASTM-approved equestrian safety helmet with a fastened chin harness in every class.
Tack: Horses shall be shown with a stock saddle. Ranch work equipment is recommended but show equipment will not be penalized. Roping reins or reins with a romal are permitted. Martingales, tie-downs, nosebands, or draw reins are prohibited. Carrying of a rope on your saddle is preferred. Horses may wear protective boots only in Ranch Reining. A judge or show official shall have the authority to require the removal or adjustment of any piece of equipment which, in their opinion, is unsafe, would give a horse an unfair advantage, or constitute excessive harshness or cruelty. When showing in a curb bit, reins must be held in one hand but may be held in any manner.
Other: Hoof polish, braided or banded manes, tail extensions, and trimming inside ears are strongly discouraged.

***x*SPEED DIVISION:**

Appropriate Attire: Clothing should be clean and neat. Riders shall wear western boots (no tennis shoes or sport shoes are acceptable) and western dress pants or jeans. Shirts must have a collar and sleeves (long or short) or be appropriate show attire (i.e., slinkies, band collars, turtlenecks). All riders are required to wear an SEI or SEI/ASTM-approved equestrian safety helmet with a fastened chin harness.
Tack: Western-type saddles must be used. The use of two hands on the reins is allowed in speed events. A judge or show official shall have the authority to require the removal or adjustment of any piece of equipment which, in their opinion, is unsafe, would give a horse an unfair advantage, or constitute excessive harshness or cruelty. The use of standing martingales, tie-downs, and nosebands is permitted in these classes. Draw reins, including tack that has the action of draw reins, and any other kind of martingales are not allowed in speed events. Horses may wear protective boots, but bandages (leg wraps) are not permitted in any speed event class.
Other:
● Striking a horse with anything other than the open hand in front of the cinch is an automatic disqualification. Striking the horse with anything, including the hand, in front of the throatlatch is an automatic disqualification.

COW HORSE CLASS DESCRIPTIONS AND SCORING:
RANCH BOXING:
- This class has been designed to demonstrate the horse's ability to do cow work.
- This class will follow Florida 4-H Area & State 4-H Horse Show Rules.
- For class description, procedure, and scoring, please visit: https://animal.ifas.ufl.edu/media/animalifasufledu/horse-extension/Rulebook-2026.pdf, Working Cow Horse, Boxing Only, Class 21 (pp. 61–63).

RANCH ROPING:
- The idea of this class is to show the skill of the horse and rider in handling cattle as if they were doctoring injured or sick cattle. Cattle should be handled as calmly and slowly as possible. The judge should judge this class as if the cattle belonged to him or her. The entry does not have to separate the cow from the herd and should not receive credit for separation from the herd. If the cow is separated from the herd, there should be no excessive running or cutting of the cow.
- This class will follow Florida 4-H Area & State 4-H Horse Show Rules.
- For class description, procedure, and scoring, please visit: https://animal.ifas.ufl.edu/media/animalifasufledu/horse-extension/Rulebook-2026.pdf, Ranch Roping, Class 20 (pp. 60–61).

RANCH COW WORK:
- The goal is to show the horse can contain the cow at one end, then set up and drive/rate the cow down the fence with control, and finally pen the cow. This class is to be judged on the horse's natural cow ability, agility, and responding softly to the rider's cues to help rein the horse into position to hold the cow and on the way to pen the cow.
- There are three parts to the work: boxing the cow; setting up the cow and driving/rating it down the fence; penning the cow.
- After calling for the cow, there will be a 120-second time limit to box the cow, drive/rate the cow down the fence, and pen the cow. Time begins when the gate closes behind the cow after being let into the arena. The announcer will make an announcement at 60 seconds to let the exhibitor know they have 60 seconds left.
- A contestant does not need to use all allotted time. The cow is considered penned when the horse enters the winged area of the pen and the whistle is blown.
- A contestant will be disqualified if he/she fails to pen the cow at the end of 120 seconds.

COW HORSE AWARDS:
Grand and Reserve are awarded to the top-scoring rides in each age division:
- Ranch Boxing
- Ranch Cow Work
- Ranch Roping

Overall Cow Horse will be awarded to the highest points in each age division.

Exhibitor Rules

Age of Exhibitors: Exhibitors must be 8 years old as of September 1, 2026.

Animal Rules

Eligible Animals: Exhibitors must be the sole owners of market steers from entry to sale. Partial ownership is prohibited. Each exhibitor will be allowed to enter two market steers but allowed to show and sell only one market steer. Exhibitors may enter two market steers but only sell/show one. In the event an exhibitor has two market steers entered, he/she must decide which market steer they want weighed in at the final weigh-in in January. Only in the event that the first market steer does not make the final weight of 1,000 lbs will the second market steer be allowed to unload and be weighed in.

Market Steer Show & Sale

Market steers will be split into three divisions: European Influence, Brahman Influence, and Commercial. All divisions will be shown separately and bought by weight. The Market Steer Chairman reserves the right to determine the number and size of classes to ensure maximum efficiency in conducting the show and the show order. The Market Steer Show is a terminal show; the order of the sale will be set by the Market Steer Chairman. All market steers will be sold in a halter provided by the fair.

x Denotes Changes from the 2026 Rules & Regulations

Exhibitors can pick up these halters Friday, January 29, 2027, **AFTER** their tie spots (inside/outside the barn) have been checked off by the approved committee. **Failure to clear your spot will result in a $100 fine.**

Commercial Steer Selection Day Procedures
On the day of steer selection, exhibitors will select their steer based upon a random order. Exhibitors may select up to two (2) steers based upon the availability of animals. If the exhibitor chooses to select two (2) steers, the second steer may only be chosen after all other exhibitors have chosen their first steer. All calves will be ear-tagged with corresponding numbers and tattooed on selection day.
The sale of the animals will be between the producer and the exhibitor. All sales are final, and payment is due on the day of selection. Immediate family members (children and grandchildren) of the approved commercial producer will be offered, at minimum, last choice of steer selection from the producer's group of steers present on selection day. The selection must be made on the official selection day and must be of similar type/quality steers.
The selection day will serve as the official weigh-in for the commercial steers.

Market steers must weigh a minimum of 1,000 pounds (1,000 pounds or more) at the final weigh-in on January 27, 2027.

Brahman/European Influence Steer Mandatory Weigh-in Dates and Weight Requirements:

***x*MANDATORY WEIGHTS** – MINIMUM WEIGHT: 500 lbs – MAXIMUM WEIGHT: 1,100 lbs

Weigh-in will be held on Saturday, August 15, 2027, from 7:00 AM to 10:00 AM at the Agricultural Center in Bartow. All market steers entered into the European Influence and Brahman Influence divisions will be weighed in and tattooed. European and Brahman Influence steers will be tagged with corresponding numbers and tattooed. During weigh-in, there will be a panel of three (3) representatives present to make the final decision on which division these steers will be shown in. Market steers must weigh a minimum of 1,000 lbs or more at the final weigh-in on January 27, 2027.

Official Reweighs: At the sole discretion of fair management, one or more animals may be reweighed after the final weigh-in in January 2027. A market steer's show and sale weight shall be the most recent official weight as determined by fair management.

Bull Calves: No bull calves will be accepted at the August 15, 2026 weigh-in. The neutering process must be sufficiently healed before the weigh-in. We recommend the neutering be done as early as possible.

Animal Identification: As a condition for participation in the Polk County Youth Fair Market Steer Show and Sale, the exhibitor hereby agrees to submit to unique animal identification of any and all animals entered by the exhibitor for purposes of identification. The Polk County Youth Fair requires that the animal exhibited be the same as the animal entered at the initial weigh-in. If the animal's identity is found to differ from the initial weigh-in, the exhibitor will forfeit any prize money and/or sale proceeds, any add-ons, and may forfeit all rights and privileges to exhibit in the future at the Polk County Youth Fair.
An identification tag fee in the amount of $10.00 per animal entered will need to be submitted with the entry form. The Polk County Youth Fair office must be notified within forty-eight (48) hours if a hanging tag is lost, missing, or no longer attached to the steer. Failure to notify the Youth Fair office within forty-eight (48) hours will result in disqualification from the fair.

Tag Removal/Alteration: Exhibitors shall not change, alter, remove, tamper with, or replace the official market steer ear tag at any time after tagging. Any exhibitor removing or altering an ear tag after the sale will be charged a fee of $100.00, which will be deducted from the sale check. This rule will be strictly enforced.

All market steers MUST be double-tied with both halter lead and neck rope. The proper procedure for this is: Each steer is tied with a rope attached to the halter in addition to a neck rope. Steers will be tied between two rings on no more than 6 inches of ropes.

Certified Age Certificate and/or Mouthing

x Denotes Changes from the 2026 Rules & Regulations

No market steer will be accepted whose known age is more than 24 months. A signed statement from the breeder certifying age will be accepted. Management reserves the right to determine age by mouthing in cases where the physiological age differs greatly from the certified chronological age.

Animal Handling: At final weigh-in, market steers must be handled by the exhibitor only. The Steer Committee has the right to determine that if an exhibitor cannot handle their steer safely at final weigh-in, they will be disqualified. During the 2027 Market Steer Show, if any exhibitor cannot handle their steer safely, the Steer Committee has the right to remove the exhibitor and market steer from the show. They will be placed last in the class and will be sold at the end of the sale. Any market steers removed from the show by the Market Steer Committee after being judged will also be sold at the end of the sale.

Grooming and Clipping: The use of fitting products is allowed. Exhibitors are encouraged to clip steers before they arrive at the fair but are allowed to clip on the grounds if they clean up the hair. Assistance with fitting is allowed.

Ethics: Ethical treatment of animals is required at all times while on the fairgrounds. Any exhibitor who is caught hitting or injuring their steer will be removed from the show ring and not allowed to return. It is imperative that all animals are treated with respect and that exhibitors do not use harm as a means of controlling the animal. If this occurs, these steers will sell at the very end of the sale order.
It is unethical to inject steers with air or any product that compromises the meat and changes the appearance of the animal. When steers are processed, if the slaughterhouse reports any such activity, the exhibitor will forfeit their sale check, any premiums earned and be banned from the Market Steer Division.

Carcass Ultrasound: A carcass ultrasound, held in conjunction with the Polk County Youth Fair, emphasizes the end product of the beef industry and provides a valuable educational complement to the Steer Show. A comprehensive report is prepared following the evaluation of carcass qualities using ultrasound. The ultrasound report measurements will include FOE (fat over the ribeye at the 13th rib), ribeye area, and marbling score, which is a measurement of intramuscular fat. These measurements will be used to calculate yield grade and estimate carcass quality.

ALL MARKET STEERS MUST SELL AND GO TO SLAUGHTER AT A DESIGNATED SLAUGHTERHOUSE.

Load-out time for market steers is FRIDAY, JANUARY 29, 2027, immediately following barn reconciliation, and SATURDAY, JANUARY 30, 2027, from 7:00 A.M. to 9:00 A.M.
